January 1, 2017

The following statement fully addresses and meets the impartiality requirements of 5.2.1 of ISO 17021:2011(E).

DNV-GL Business Assurance USA, Inc. is committed to supporting, endorsing and living by our corporate Vision and Values.

DNV GL's Vision and Values underpin every aspect of our business conduct. DNV GL's Code of Ethics specifically demands that we will never compromise our integrity. We will remain impartial in all of our business dealings, and we will never conduct business in a manner which could place our business integrity or impartiality at risk or question.

This policy is understood, implemented and practiced by all personnel, including subcontractors, at all levels within DNV Business Assurance USA, Inc.

Anders Lindgren  
President and CEO
